With the current restrictions owing to Covid-19 and related issues the committee has reviewed the programme until the end of February.

The revised arrangements are:

- Jan 18th Auction proceeds as planned.
Members who prefer not to attend should bid by post or email. If you wish to view items and leave a bid, Kevin will be able to meet you at Bugle Street on Tuesday, January 18th from 2.00pm. Please contact Kevin to arrange the exact time.
- Jan 25th Video presentation meeting with Peter Rix as planned.
- Feb 1st This now becomes a Video presentation meeting with Colin Tabcart on Submarine Mail. Anyone not at present on the current Invitation list and who would like to attend should contact Eddie Mays as soon as possible.
- Feb 15th This meeting was to include a members' competition evening, but owing to lack of time to promote this sufficiently it is suggested that this is **POSTPONED**.
A meeting will take place and consist of Members' recent acquisitions, Members' queries, a Bourse, including unsold items from January auction, and Silent Auction if sufficient material is supplied.

Please note that the Society Competition evening on Tuesday, June 21st is the meeting at which entries are selected to go forward to the HPF Howard White competition at September's Hampex.

Chandler's Ford meetings will take place, as planned, on the second Thursday of January (13th) and February (10th)
